Docket No. CP2017-16

ORDER GRANTING MOTION FOR TEMPORARY RELIEF

(Issued December 20, 2017)

The negotiated service agreement approved in this proceeding (Existing Agreement) is set to expire December 31, 2017.¹ On December 19, 2017, the Postal Service filed a motion for temporary relief seeking to extend the expiration date of the Existing Agreement.²

The Postal Service states that it is in the process of negotiating with the customer a possible successor to the Existing Agreement. Motion at 1. On December 13, 2017,

¹ See Order No. 3589, Order Approving Additional Global Expedited Package Services 3 Negotiated Service Agreement, October 26, 2016, at 7 (setting original expiration date as November 30, 2017); Order No. 4241, Order Approving Modification One to GEPS 3 Negotiated Service Agreement and Denying as Moot Motion for Temporary Relief, November 29, 2017, at 3 (revising expiration date to December 31, 2017).

² Motion of the United States Postal Service for Temporary Relief Concerning Global Expedited Package Services 3 Negotiated Service Agreement, December 19, 2017 (Motion).

the Postal Service sent a modification to the customer that would extend the Existing Agreement until February 28, 2018, but this modification has not yet been signed. *Id.* The Postal Service states that it will file that modification in this docket once the modification has been signed. *Id.* To maintain continuity of pricing, the Postal Service requests that the Commission continue to list the Existing Agreement in the Mail Classification Schedule through February 28, 2018. *Id.*

The imminent filing of a modification suggests a good faith effort on the part of the Postal Service to avoid relying on motions for temporary relief as a standard practice, in keeping with Commission guidance.³

This brief extension will not impair the ability of the Existing Agreement to comply with 39 U.S.C. § 3633, will avoid disruption in contract administration, and will not prejudice any person. Consequently, the Existing Agreement is modified to continue until February 28, 2018.

The Postal Service shall promptly file notice with the Commission if the Existing Agreement is terminated prior to the revised expiration date.

It is ordered:

1. The Motion of the United States Postal Service for Temporary Relief Concerning Global Expedited Package Services 3 Negotiated Service Agreement, filed December 19, 2017, is granted.
2. The Commission approves an extension of the Existing Agreement until February 28, 2018.
3. The Mail Classification Schedule will continue to list the Existing Agreement according to the terms set forth in this Order.

³ See Docket No. CP2012-38, Order No. 2685, Order Granting Second Motion for Temporary Relief, August 26, 2015, at 2 (urging the Postal Service to use contract extensions only in limited circumstances and not as a standard practice).

4. The Postal Service shall promptly file notice of the termination of the Existing Agreement if such termination occurs prior to the revised expiration date.

By the Commission.
